

New Source Review newspaper advertisements for construction permit applications, March 1, 2018. The following public notices have been published in the newspapers listed below each advertisement. These newspaper advertisements for construction permit applications will be or were published on one of the following dates: February 27, 2018, February 28, 2018, or March 1, 2018. Public notices are generally published every week. The previous publication of public notices was February 22, 2018.

#### PUBLIC NOTICE

The Tennessee Division of Air Pollution Control (TDAPC) has received requests for construction and/or modification of air contaminant sources as noted below. The proposed construction and/or modification is subject to part 1200-03-09-.01(1)(h) of the Tennessee Air Pollution Control Regulations, which requires a public notification and 30-day public comment period. Interested parties may express their comments and concerns in writing to Mrs. Michelle W. Owenby, Director, Division of Air Pollution Control, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, 15<sup>th</sup> Floor, Nashville, Tennessee 37243 within thirty (30) days of the date of this notice. Questions concerning a source may be addressed to the assigned Division personnel at the same address or by calling 615-532-0554.

Any individuals with disabilities who wish to participate in these proceedings or to review these filings should contact the Tennessee Department of Environment and Conservation to discuss any auxiliary aids or services needed to facilitate such participation. Such initial contact may be in person, by writing, telephone, or other means, and should be made no less than ten (10) days prior to the hearing, or the date such party intends to review such filings, to allow time to provide such aid or service. Contact the Tennessee Department of Environment and Conservation ADA Coordinator, 2<sup>nd</sup> Floor, William R. Snodgrass Tennessee Tower, 312 Rosa L. Parks Avenue, Nashville, TN 37243, (866) 253-5827 (toll free) or (615) 532-0200. Hearing impaired callers may use the Tennessee Relay Service (1-800-848-0298).

The applicant is Southern Rock Manufacturing, LLC with a mailing address of 7972 Mona Road, Murfreesboro Road, Murfreesboro, TN 37129. They seek to obtain an air contaminant permit (Division identification number: 08-0043-02/73684) for construction of a Rock Crushing and Sizing Operation located at 1327 John Bragg Highway, Woodbury, TN 37190. This proposed construction would consist of a jaw crusher (Mobicat MC 120Z), a cone crusher (Mobicone MCO 11/11i Pro), screens, and conveyors used for on-site use of non-metallic minerals. Wet suppression would be used of pollution control. There would be physical construction. Regulated air contaminants would be emitted by this source. Mr. J. Horton is the assigned Division person.

For the Cannon County "Cannon Courier"--- publish once on Tuesday, February 27, 2018.

---

The applicant is Smalticram USA, Inc. with a mailing address of 225 Peachtree Street NE, 100 South Tower, Atlanta, GA 30303. They seek to obtain an air contaminant permit (Division identification number: 60-0330-01/973593) for construction of a frits manufacturing operation for use in ceramic tile manufacturing located at Cherry Glen Industrial Park in Mt. Pleasant, TN 38474. This proposed operation would consist of solid raw material mixed using hoppers. Product is placed in super sacks for shipment. A dust collector would be used as pollution control equipment. There would not be physical construction. Regulated air contaminants would be emitted at this facility. Mr. Chris Meek is the assigned Division person.

For the Maury County "Daily Herald"--- publish once on Thursday, March 1, 2018.

---

The applicant is Obion Grain Company, Inc. with a mailing address of 328 East Main Avenue, Obion, TN 38240. They seek to obtain an air contaminant permit (Division identification number: 66-0008-02/973613) for the modification of the grain elevator located at the same address. Bin screen vents and enclosures at loading/unloading points are used for air pollution control. The requested modification is to increase material throughput of the grain elevator. There would be no physical construction. Regulated air contaminants are emitted by this source. Ms. J. Pratt is the assigned Division person.

For Obion County "Union City Daily Messenger"--- publish once on Thursday, March 1, 2018.

---

The applicant is Tinsley Asphalt, LLC with a mailing address of P.O. Box 1955, Tullahoma, TN 37388. They seek to obtain an air contaminant permit (Division identification number: 89-0162-04/73713) for construction of a Double Drum Mix Asphalt Plant located at 390 Spencer Road, McMinnville, TN 37110. The proposed operation would consist of a double drum mixer, asphalt cement storage, crushed aggregate storage piles, and reclaimed asphalt pavement (RAP) for making hot mix asphalt. A baghouse (fabric filter bags) would be used for pollution control. Regulated air contaminants would be emitted by this source. Mr. J. Horton is the assigned Division person.

For the Warren County "Southern Standard"--- publish once on Wednesday, February 28, 2018.
